

2020 Repatriation Grant Final Report

About the 2020 Repatriation Grants

The 2020 Repatriation Grants supported BC First Nations and Indigenous organizations to repatriate ancestors, cultural property, and intangible cultural heritage.

The BCMA respectfully acknowledges the decades of work and advocacy Indigenous leaders and communities have undertaken to support the return of their ancestors and cultural patrimony. We thank the BC Government for their support of the 2020 Repatriation Grant and extend appreciation to the Royal BC Museum and the BCMA Indigenous Advisory Committee for their expertise, time, ideas, partnership, and guidance.

As a recipient of a 2020 Repatriation Grant, a final report must be submitted to the BCMA thirty days after project completion, or no later than March 31, 2022.

More information about the grant is available on our website. If you have questions about your organization's final report or require assistance, please contact bcma@museum.bc.ca or call 250.356.5700.

The BCMA is open Monday to Friday from 9 – 4 pm and will attempt to respond to your emails and calls as quickly as possible.
